ABOUT INDIAN STAFFING FEDERATION

Indian Staffing Federation is the apex body representing contract staffing companies, formed to provide a platform for recognized employment, work choice, social security and health benefits for the temporary workforce. Over 110+ members of the federation have generated employment for over 9 million employees over the last 10 years and currently employ over 1 million flexi staff annually.

Indian Staffing Federation has been formed with one common goal - Staffing India's Growth. The purpose of ISF is to enhance long-term growth of the staffing industry and to ensure its continued ability to make positive contributions to the economy and society. The principal focus of the Federation's activities is to strengthen triangular employment relationships, in which the staffing company is the employer of the temporary worker, who works under the supervision of the user company.
