7<sup>th</sup> July 2020

To

- 1) DG & IGP, WB
- 2) Municipal Commissioner, Kolkata Municipal Corporation
- 3) Commissioner of Police, Kolkata Police
- ✓ 4) All District Magistrates

Dear Sir/Madam,

In terms of recent discussions and in terms of deliberations with you as well as other members of the Enforcement Task Force with regard to lockdown, I am to impress upon you to rigorously implement the containment policies and practices for combating spread of COVID-19.

Current concept of containment zone may be combined with the current concept of buffer zone, and together, they may constitute a revised and broad-based containment zone approach.

These broader containment zones may be subjected to strict lockdown, and the following activities, inter alia, may be closed in these areas:

- i) All offices, government and private
- ii) All non-essential activities
- iii) All congregations
- iv) All transportation
- v) All marketing/industrial/trading activities.

Residents of the containment zones may be exempted and prohibited from attending government and private offices: in fact, their ingress and egress may be strictly regulated.

To the extent practicable, local authorities will try to arrange home delivery to the residents staying inside the broad-based containment zones.

You may now delineate your broad-based containment zones. In case of Kolkata, KMC and KP will have to do it in mutual consultation. In case of districts, DMs may initiate similar exercises in consultation with respective CPs/SPs.

You may notify your broad-based containment zones in your respective website in addition to the Egiye Bangla website where such proactive disclosure is mandatory.

This order will take effect on 9<sup>th</sup> July, 2020 at 5 p.m.

Yours faithfully

(Alapan Bandyopadhyay)  
Addl. Chief Secretary & Chairman  
Enforcement Task Force
