Notification

CIF/094/S-II/IFB/2020/242

The Factories Act, 1948 (Central Act 63 of 1948) has been enacted primarily with the object of protecting workers employed in factories against industrial and occupational hazards. For that purpose, it seeks to impose upon the owner or the occupier, certain obligations to protect the workers and to secure their employment in conditions conducive to their health and safety.

The Goa Factories Rules, 1985, as amended from time to time, prescribed under the said Act contains requirements with respect to maintaining various registers and submission of returns in hard format on periodical basis. Further, the unplanned inspection of the factories creates avoidable procedural hassles for the industry. However, with changing times, there is a need to simplify the said requirements by way of allowing maintaining various registers in electronic format and online submission of returns and so also to minimise enforcement visits of Inspectors. At the same time it is necessary to ensure more effective compliance of the law by the employers without compromising on the provisions of safety, health and welfare of the workers as provided in the said Act and Rules.

In view of the aforesaid objective, the Government of Goa is pleased to introduce an integrated scheme as under:

1. *Short title and commencement.*— (1) This scheme shall be called the ‘Self Certification Scheme’ for the Factories covered under The Factories Act, 1948 and the Rules made there under.

(2) It shall come into force at once.

(3) Words and expressions used herein but not defined shall have the same meanings as are respectively assigned to them in The Factories Act, 1948 as amended from time to time and the Goa Factories Rules, 1985, as amended from time to time.

2. *Objective.*— The objective of this scheme is to:

(1) Reduce visits of the Inspectors for inspection of factories which opt for the scheme without compromising on safety, health and welfare of workers;

(2) Remove the requirement of maintaining various registers and submission of returns in hard format on periodical basis; and

(3) Achieve the objective of simplifying business regulations and to bring in transparency and accountability in inspections. It also envisages objective criteria for selection of factories for inspection.

(4) Provide an integrated platform for online submission of returns by an Occupier and Manager through a web based portal.

3. *Eligibility.*— This scheme shall be available to all the factories registered under either section 2(m) (i) or section 2(m) (ii) of the said Act or covered under section 85 of the said Act except for the factories categorized as “major accident hazards (MAH) installations” as defined under clause (ja) of rule 2 of the Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989, as amended from time to time.

4. *Nature of the scheme.*— The scheme is voluntary in nature and therefore the factory may exercise the option of joining the scheme.

5. *Procedure.*— (1) The Occupier may opt for this scheme at any time in a calendar year by submitting an application in Form – I and

an undertaking in the prescribed proforma to the Chief Inspector of Factories and Boilers along with processing fees as indicated below given Schedule in form of either a Demand Draft in favour of the “Chief Inspector of Factories & Boilers, Panaji” or by a treasury receipt showing that the appropriate amount of fee has been paid into the local treasury under the head of account “0230—Labour and Employment; 104—Fees realized under Factories Act, 1948”.

(3) Any discrepancy in the application or enclosures shall be communicated to the applicant within 30 days from the receipt of the application. If no discrepancy is so communicated, the applicant shall be deemed to have been enrolled under the Self-Certification Scheme.

SCHEDULE

Category	Amount of fees in Rs.
Factories employing upto 50 workers	10,000
Factories employing upto 150 workers	20,000
Factories employing upto 250 workers	30,000
Factories employing upto 500 workers	40,000
Factories employing upto 1000 workers	50,000
Factories employing upto 2500 workers	60,000
Factories employing above 2500 workers	70,000

(4) In case, after joining the scheme, the number of workers employed in a factory increases, and which would increase the amount of prescribed registration and processing fees, difference in the amount of fee shall have to be deposited to the Chief Inspector of Factories & Boilers, within one month from the date of such increase.

6. *Validity of the scheme.*— (1) Once the occupier opts for the scheme, it shall be valid for five calendar years including the calendar year in which the scheme has been opted for.

(2) After the completion of the tenure of the scheme, the may renew the registration under this scheme for further five calendar years as per the procedure specified at clause 5 above.

(3) The occupier shall be free to withdraw from the Self-Certification Scheme at any time before completion of five years by submission of application in writing. However, no refund of fees will be given for remainder period of the scheme.

(4) The scheme shall cease to be in force in case there any violation of the provisions prescribed under the said Act or Rules made thereunder is observed as a result of inquiry conducted in connection with occurrence of a fatal accident or accident causing serious bodily injury or dangerous occurrence or complaint or if there is institution of prosecution as a result of inspection conducted under the scheme. However, there will no bar on fresh inclusion in the scheme if applied afresh.

7. *Filing of Returns.*— After being enrolled for scheme, the occupier/manager of the factory shall file the Returns in online mode through Goa Online e-District portal-https://goaonline.gov.in/Appln/Uil/DeptServices?_DocId=FAB&_ServiceId=FAB04 as per the prescribed frequency under the Goa Factories Rules, 1985.

8. *Exemptions under the scheme.*— The registered factories under the scheme shall be exempted from maintainance of following registers in hard format and shall be maintained in soft format:—

(i) Record of lime washing, painting, etc. in Form No. 08;

(ii) Humidity Register in Form No. 9;

(iii) Register of Compensatory Holidays in Form No. 17;

(iv) Overtime muster roll for exempted workers in Form No. 18;

(v) Register of adult workers in Form No. 20;

(vi) Register of child workers in Form No. 22;

(vii) Register of leave with Wages in Form No. 23;

(viii) Leave Book in Form No. 24;

(ix) Nomination for Payment of Wages due for period of leave with wages in the event of death of worker in Form No. 25;

(x) Muster Roll in Form No. 36;

(xi) Register of accidents and dangerous occurrences in Form No. 37; and

(xii) Inspection Book in Form No. 38.

9. *Inspection procedure under the scheme.*—

(1) Under this scheme, not more than 25% of the factories so covered under the scheme shall be picked up randomly through online Central Inspection System for inspection once in a year and which shall be carried out only once regarding the implementation of the Act to which this scheme applies.

(2) Inspection Report will be issued online by the Inspector within 48 hours from the time of inspection for compliance.

(3) In case, after physical inspection, if any additional information and documents are sought by the Inspector to ascertain compliance, then the Inspection Report will be issued for compliance within 48 hours from the time of receipt of the said additional information and documents.

(4) Occupier/manager shall submit compliance to the inspection report within one month from the date of receipt Inspection Report.

(5) If no compliance report is received within the above stipulated period then the Inspector shall initiate necessary legal action for the alleged offences under the relevant provisions of the said Act and Rules made thereunder with prior approval of the Chief Inspector.

(6) Once inspected, the same factory will not be inspected again during remaining period of the validity of the scheme unless there is occurrence of a fatal accident or accident causing serious bodily injury or

dangerous occurrence takes place or any specific complaint/grievance is received regarding violation of the law during said period.

(7) Inspections based on complaints/grievances will be conducted with due authorization from the Chief Inspector of Factories & Boilers or any other person authorized in this behalf.

Notification

CIF/094/S-II/IFB/2020/251

In order to strengthen ease of compliance as well as to simplify enforcement of provisions in The Boilers Act, 1923, 'Self Certification Scheme for Boilers' for boilers installed in the State has been formulated.

1. *Introduction.*— The Self Certification Scheme for Boilers is being introduced to streamline the functioning of the Department to strengthen ease of compliance as well as to simplify enforcement of the Boilers Act, 1923, Goa Boiler Rules, 1983 and Indian Boiler Regulation, 1950 which are being implemented by the Chief Inspector of Factories & Boilers, Goa. This scheme aims at making the owner conscious, truthful, law abiding and willing to take care the safety of the boilers by complying the provisions of the

Act, Rules and Regulations and to enable the Factories and Boilers Department to effectively motivate the boiler owners for taking responsibility to maintain the safety of the boilers by themselves.

2. *Objective.*— The objectives of this Self Certification Scheme for Boilers is to avoid inspection by Inspectors for renewal of those boilers whose owners opt for this scheme without compromising on the provisions of safety of the boiler as provided in the said Act, regulations and rules.

3. *Procedure.*— The scheme shall be optional and any owner can opt this scheme. The owner of the Boiler to be covered under this scheme shall apply for Self Certification for Boilers to the Chief Inspector in the prescribed Annexure-I. The owner is required to give an undertaking in Annexure-II attached with the scheme.

4. Any discrepancy in the application or enclosures shall be communicated to the applicant within 30 days from the receipt of the application. If no discrepancy is so communicated within 30 days, the applicant shall be so deemed to have been enrolled under the Self Certification Scheme for Boilers.

5. *Filing of Annual Self Certification for Boiler in lieu of Inspection Report by Inspector.*— After being enrolled for the Self Certification Scheme for Boilers, the concerned owner shall file Annual Self Certification for Boiler every year within fifteen days of expiry of the certificate of boiler in the prescribed performa given at Annexure-III.

6. *Validity of Annual Self Certification.*— Factual information given in the prescribed Annual Self Certification for boiler shall be valid for a period of next one year from the date of expiry of the certificate.

7. *Validity of scheme.*— Once opted for the scheme, the same shall be valid for five years. After the successful compliance under the Self-Certification for Boilers for five years, the owner shall have option either to remain covered by applying again under the Self Certification Scheme for Boilers or opt out of the scheme. The option must be exercised in writing to be made before the Chief Inspector of Factories & Boilers.

8. *Fees.*— Any owner who opts for the scheme shall deposit a fee online equal to five times of Inspection fees for renewal of Boiler as per Regulations 385-A of Indian Boiler Regulations, 1950.

9. *Forfeiture of Fees.*— In case any owner withdraws prematurely from the scheme i.e before 5 years or fails to follow the terms and conditions of the Self Certification Scheme for Boilers or in case of accident or failure to file Annual Self Certification as per clause 5 of this scheme, then fees, so deposited shall be

forfeited. However, there will be no bar on fresh inclusion in the scheme, if applied afresh.

10. *Law for which the scheme is valid.*— This Self Certification Scheme for Boilers shall be valid for the Boilers Act, 1923 and rules and regulations made thereunder.

11. *Whom to apply.*— Under the Self Certification Scheme for Boilers, the application for inclusion under the Self Certification Scheme for Boilers as per Annexure-I shall be made to the Chief Inspector of Factories & Boilers, Goa.

12. The owner of Boiler availing the scheme shall be free from any inspection by the Inspectors of the Department subject to clause 13 below. The boilers which are not opted by their owners for the scheme shall be inspected as per the present system.

13. *Inspections procedure under the scheme.*— Under the Self Certification Scheme for Boilers, not more than 10% of the boilers so covered under the scheme shall be picked up randomly for inspection once in a year and which shall be carried out only once during the year/on expiry of certificate of boiler, regarding the implementation of the Act, Rules and Regulations to which this scheme applies. Once inspected, the same boiler is not likely to be inspected in the same year or in next three years provided that no specific violation of terms, undertaking given or prevailing rules/laws by the owner is brought to the notice of the Department. However on specific complaint or occurrence of accident, inspection shall be conducted only on the basis authorization in writing from District Authority or Chief Inspector who are competent to order the inspection at any time.

Owners who opt for this scheme may get their boilers inspected by any Inspector of the Department by giving their written consent to the Chief Inspector.
